Nathan Curran

PERSONAL DETAILS

Name	Nathan Kevin Curran
Address	8 Weavershill Road
City	Belfast
Post Code	BT14 8PS
Email Address	curran-n11@ulster.ac.uk
Mobile Number	07462535679

CAREER OBJECTIVE

I am a very creative and focused individual who actively seeks to push the boundaries and limitations when given a project. I am self-motivated and detail-orientated when it comes to programming. The most interesting category of my course for myself would have to be the programming aspect, partly because I have an aptitude for problem solving. My biggest career focus is to work on developing artificial intelligence.

EDUCATION

Ulster University

Bachelor's Degree

Dates

2018-2022

WORK EXPERIENCE

Multi-Skilled Operative in the Waterfront/Ulster Hall   *01/03/17-01/08/18*

My role in this job included working with food, working behind a bar and working with a team of people to provide a dinner service. Throughout this time, I have gained experience handling money through working behind a till and managing my time efficiently. I have worked at various high-profile events; therefore, I can deliver outstanding customer service and work efficiently in a busy environment. I have experience being a team leader and I can build a good relationship with my team members. This job has aided me in becoming very good at multi-tasking and able to adapt very quickly in a changing environment.

INTERESTS AND ACHIEVEMENTS

- Member of the UUJ Computing society

- Scored highest in computer science at GCSE in school

- Attend weekly tech talks in at Ulster University
